

DragonForce - Through The Fire And Flames

tom:

Intro: Bm G A Bm A

[Verso 1]

Bm G
On a cold winter morning, in the time before the light

A Bm
In flames of death's eternal reign we ride towards the fight

Bm A G
When the darkness has fallen down, and the times are tough all right

A Bm
The sound of evil laughter falls around the world tonight

Bm A G
Fighting hard, fighting on for the steel, through the wastelands evermore

A Bm
The scattered souls will feel the hell bodies wasted on the shores

Em Bm
On the blackest plains in hell's domain, we watch them as we go

Em A
In fire and pain, and once again we know

D A
So now we fly ever free

G
We're free before the thunderstorm

Bm A G
On towards the wilderness our quest carries on

Bm Em Bm D
Far beyond the sundown, far beyond the moonlight

Em A
Deep inside our hearts and all our souls

[Refrão]

G Bm
So far away we wait for the day

A Gb
For the light source so wasted and gone

G Bm
We feel the pain of a lifetime lost in a thousand days

A Gb
Through the fire and the flames we carry on

[Ponte]

Bm G
Now here we stand with their blood on our hands

A Bm
We fought so hard now can we understand

Bm G
I'll break the seal of this curse if I possibly can

A Bm
For freedom of every man

[Refrão]

G Bm
So far away we wait for the day

A Gb
For the light source so wasted and gone

G Bm
We feel the pain of a lifetime lost in a thousand days

A Gb
Through the fire and the flames we carry on

[Verso 2]

Bm
As the red day is dawning

G
And the lightning cracks the sky
