## **Drake Bell - Makes Me Happy**

```
Tom: G
                                                           Let's get up and run its just beginning
                                                              C7M
                                                           And I just can't stop singing now
