

Drake Bell - Makes Me Happy

Tom: G

Well hello let's go
 Everybody must know
 There's love in my heart like a bomb
 It's blowing a song inside I'm singing
 Sunshine that you're bringing now and it makes me happy
 listen to the radio playing back the stereo
 Sounds like my favorite song
 I'm humming along, my head is ringing
 And I just can't stop singing now cause it makes me happy
 You're everything I need, handed from above
 I can't get enough of your love
 Cause it makes me happy
 Cause it makes me happy
 Living in a daydream
 I'll show you what it all means
 Spending some time in the sun

Let's get up and run its just beginning

And I just can't stop singing now

Cause it makes me happy

Cause it makes me happy

Like a fantasy that you never find

Right in front of me all the time

And it makes me happy

And it makes me happy

I want it all but not too much I wanna feel tha way you touch me

I'm the kind of guy who's always there

To come and find you

Save the rainy days for another time

I'm just here to say read between the lines

I'm so glad that you're mine

Cause you make me happy

You make me wanna sing

Acordes
