

Drake Bell - Up Periscope

tom:
C
[Primeira Parte]
C
If I could have a single wish
E E
I'd only wish I'd never miss it
A A7
When you wake up and smile
Dm
It makes me happy when you steal a little kiss
Fm C
Before you wake me up to listen to the news for a while
C
And when you're creeping outta bed
E7 A A7
I sneak a peak to see just what you were wearing last night
Dm
What was left of from ripping off your clothes
Fm
I checked to see the door was closed
C Bm-
As you were turning off the light

[Pré-Refrão]
Am C D7
Who ever said romance was over
C F Fm
Roll over
C G A
So I can show you
Dm
Don't you want me to be
G C
The captain of your submarine, up periscope

[Refrão]
D D7
That's what I say
Bb G
And that's just my way
C
Of saying that I love you
(I do)

[Segunda Parte]
C
Life is like a bowl of cherries
E E A A7
Not so very ordinary, overflowing with love
Dm
And I could never want for more
Fm
Unless our two becomes a four
C Bm-
Or maybe three if we practice it enough

[Pré-Refrão]
Am C D7
Who ever said romance was over
C F Fm
Roll over
C G A
So I can show you
Dm

Don't you want me to be
G C
The captain of your submarine, up periscope

[Refrão]
D D7
That's what I say
Bb G
And that's just my way
C
Of saying that I love you
(I love you)

[Terceira Parte]
C
Well, I know that life is hard
E7
I know that love can break your heart
A
That's just the way that it is
Dm
Well, baby, that's a load of smack
Fm
And don't you know I've got your back
C
And what's important is the way that we live
C
And like the way you love this song
E7
Because it makes you hum along
A A7
And tap your foot to the beat
Dm
That's the way you make me feel
Fm
When we're doing it for real
C Bm-
I can feel it from my head to my feet

[Pré-Refrão]
Am C D7
Who ever said romance was over
C F Fm
Roll over
C G A
So I can give you
Dm
One more chance to believe
Fm
And hopefully see
C G A
That I still want you
Dm G
Don't you want me to be the captain of your submarine

[Refrão]
C
Up periscope
D D7
That's what I say
Bb G
That's just my way
C C C
Of saying that I love you
G C
I love you
