

Drake - Teenage Fever

Tom: **B**
Intro: **Abm Abm Abm Gb**

```
E|-----|
B|--4h5--2h4--0H2-----2h4p2---0h2-|
G|-----3h4--0h1-----|
D|-----1h2-1-----|
A|-----|
E|-----|
```

E
Your heart is hard to carry after dark

G#M
You're to blame for what we could have been

Gb
'Cause look at what we are

E
Your friends are scared to tell you went too far

Abm Gb
Funny that it's always been all about you from the start

E Dbm
I met someone new last night and we kicked it

Abm
And I'm going back there tonight

Gb E Dbm
And you know what's on my mind, this time

Abm
Going back there tonight

Bb
And you know what's on my mind

E
If you had my love

And I gave you all my trust

Abm Gb
Would you comfort me?

E
And if somehow you knew

That your love would be untrue

Abm
Would you lie to me?

Dbm
If you had my love

And I gave you all my trust

E Gb
Would you comfort me?

Dbm
And if somehow you knew

That your love would be untrue

E Gb
Would you lie to me?

E
Out of body

Abm
That's just how I feel when I'm around you, shawty

Gb
Last night we didn't say it

E
But girl, we both thought it

Abm
Why second guess? I should have stayed

Gb E
You say the word, I'm on the way

Dbm Abm
This shit feels like teenage fever

Gb E
EI'm not scared of it, she ain't either

Gb Abm
Why second guess? I should have stayed

Bb
'Cause you know what's on my mind tonight

E
If you had my love

And I gave you all my trust

Abm Gb
Would you comfort me?

E
And if somehow you knew

That your love would be untrue

Abm
Would you lie to me?

Dbm
If you had my love

And I gave you all my trust

E Gb
Would you comfort me?

Dbm
And if somehow you knew

That your love would be untrue

E Gb
Would you lie to me?

(**Abm Abm Abm Gb**)

```

Yeah, slightly took a left turn there

But very much 6AM

Slightly been awake for 24 hours, so please forgive me

More ideas and stuff comin'

Yeah, yeah, fam

I'm wafflin', but man is tired, fam, Jesus Christ

Acordes
