1. Someone Like Him

(Fm Dbm Fm Dbm)

Fm   Dbm   Fm   Abm   Eb
   I never wanted to become someone like him, so secure
   Ab   Cm   D
content to live each day just like the last
      Bm
I was sure I knew that
A   Dbm   D
This was not for me
      A   Dbm   C
And I wanted so much more
         Em   Bb Dm
Far beyond what I could see
     Db
So I swore that I'd
Bb   Dm   Gbm   Gbm
Never be someone like him

Fm   Dbm
  So many years have passed
Fm   Abm
Since I proclaimed
       Eb
My independance
   Abm
My mission
   Eb
My aim
       Abm
And my vision
      Eb
So secure
   Abm   Eb   D
Content to live each day like it's my last
     Bm   A
It's wonderful to know
      Dbm   D
That I could be
A   Dbm   C
Something more than what I dreamed
    Em   Bb   Dm
Far beyond what I could see
        Db   Bb
Still I swear that I'm
        Db
Missing out this time

   E   A
As far as I could tell
        E   B
There's nothing more I need
    E   A
But still I ask myself
      Em   B
Could this be everything
     B
Then all I swore
     Bb   Bb D
That I would never be was now
   Gbm
So suddenly
    Am
The only thing
  Em
I wanted
   D
To become
      Dm   A
To be someone just like him

2. Medicate (awakening)

(A Dm A Dm)

A   Dm
A doctor sitting next to me
                    A
He asked me how I feel
                  Dm
Not sure I understand his questioning
A   Dm
   He says I've been away a while
                          Gbm
But thinks he has cured me
                   F
From a state of catatonic sleep

D   F
   For 30 years
             A
Where have I been
D
   Eyes open
    F   A
But not getting through to me

A
Medicate me
Am
Infiltrate me
A   Am
Side effects appear
                        A
As my conscience slips away
A
Medicate me
Am
Science failing
A   Am
Conscience fading fast
                              A   Dm A Dm
Can't you stop what's happening

A   Dm
A higher dosage he prescribes
                     A
But there's no guarantee
                    Dm
I feel it starting to take over me
A   Dm
   I tell him not to be ashamed
                          Gbm
There's no one who's to blame
                   F
A second shot, A brief awakening

D   F
   I feel the relapse
             A
Can't break free
D
   Eyes open
       F   A
But not getting through to me

A
Medicate me
Am
Infiltrate me
A   Am
Side effects appear
                          A
As my conscience slips away
A
Medicate me
Am
Science failing
