E  
Several years ago  
Em  
In a foreign town

Far away from home  
E- E  
I met the count of Tuscany

A young eccentric man  
E7  
Bred from royal blood  
E  
Took me for a ride  
E F  
Across the open countryside

Em Em  
Get into my car  
Em Em  
Let's go for a drive  
Em Em  
Along the way  
Bb  
I'll be your guide  
E  
Just step inside

Em Em  
Maybe you'll recall  
Em Em  
A cannibal curator  
Em Em Bb  
A character inspired by my brother's life  
( Bm Bb A )

E  
Winding through the hills  
Em  
The city far behind  
E  
On and on we drove  
E- E  
Down narrow streets and dusty roads

E  
At last we came upon  
E7  
A picturesque estate  
E  
On sprawling emerald fields  
E F  
An ancient world of times gone by

E  
Would you like to see  
Em  
Out secret holy place?  
E  
I come here late at night  
E- E  
To pray to him by candlelight

E  
Then peering through the glass  
E7  
I saw with disbelief  
E

Still dressed in royal clothes  
The saint behind the altar

History recalls  
During times of war  
Legend has been traced  
Back inside these castle walls

Where soldiers came to hide  
In barrels filled with wine  
Never to escape  
These tombs of oak  
Are where they died

Down the cellar stairs

I disappear

Like the angel's share

The end is near

Come and have a taste

A rare vintage

All the finest wines

Improved with age

( G )

I want to stay alive  
Everything about this place  
Just doesn't feel right

I,i don't wanna die  
Suddenly I'm frightened for my life

I want to say goodbye  
This could be the last time  
You see me alive

I, I may not survive  
Knew it from the moment we arrived

( Abm B Gb E )

Could this be the end?

Is this the way I die?

Sitting here alone

No one by my side

I don't understand

I don't feel that I deserve this

What did I do wrong?

I just don't understand (I just don't understand)

( Abm B Gb E )

Give me one more chance

Let me please explain

It's all been circumstance

I'll tell you once again

You took me for a ride

Promising a vast adventure

The next that I know

I'm frightened for my life

Now wait a minute man

That's not how it is

You must be confused

That isn't who I am

Please don't be afraid

I would never try to hurt you

But this is how we live, strange although it seems

Please try to forgive

The chapel and the saint

The soldiers and the wine

The fables and the tales

All handed down through time

Of course you're free to go

Go and tell the world my story  
 Tell them of my brother, tell them about me  
 The Count of Tuscany
