E  
 Several years ago  
 Em  
 In a foreign town  
 E  
 Far away from home  
 E- E  
 I met the count of Tuscany

E  
 A young eccentric man  
 E7  
 Bred from royal blood  
 E  
 Took me for a ride  
 E F  
 Across the open countryside

Em Em  
 Get into my car  
 Em Em  
 Let's go for a drive  
 Em Em  
 Along the way  
 Bb  
 I'll be your guide  
 E  
 Just step inside

Em Em  
 Maybe you'll recall  
 Em Em  
 A cannibal curator  
 Em Em Bb  
 A character inspired by my brother's life  
 ( Bm Bb A )

E  
 Winding through the hills  
 Em  
 The city far behind  
 E  
 On and on we drove  
 E- E  
 Down narrow streets and dusty roads

E  
 At last we came upon  
 E7  
 A picturesque estate  
 E  
 On sprawling emerald fields  
 E F  
 An ancient world of times gone by

Gm A7 Dm  
 Let me introduce  
 Gm A7 Dm  
 My brother  
 Gm A7 Dm  
 A bearded gentleman  
 Gm A7 Dm  
 Historian  
 Gm A7 Dm  
 Sucking on his pipe  
 Gm A7 Dm

 Fm  
 You see me alive

Cm Eb  
 I, I may not survive  
 Ab A

 ( Cm Cm Cm C )

E  
 Would you like to see  
 Em  
 Out secret holy place?  
 E  
 I come here late at night  
 E- E  
 To pray to him by candlelight

E  
 Then peering through the glass  
 E7  
 I saw with disbelief  
 E

Still dressed in royal clothes

( Cm B Ebm D )

The saint behind the altar

( Cm B Ebm D )

History recalls

( Cm B Ebm D )

During times of war

( Cm B Ebm D )

Legend has been traced

( Cm B Ebm Gbm )

Back inside these castle walls

( Dbm C Em Gm )

Where soldiers came to hide

( Aadd9 Abm Dbm E )

In barrels filled with wine

( Bm A Am E )

Never to escape

( Abm B Gb E )

These tombs of oak

( Abm Bb B E )

Are where they died

( Gb Abm )

Down the cellar stairs

Could this be the end?

I disappear

Is this the way I die?

Like the angel's share

Sitting here alone

The end is near

No one by my side

Come and have a taste

I don't understand

A rare vintage

I don't feel that I deserve this

All the finest wines

What did I do wrong?

Improved with age

I just don't understand (I just don't understand)

( G )

I want to stay alive

Give me one more chance

Everything about this place

Let me please explain

Just doesn't feel right

It's all been circumstance

I, i don't wanna die

I'll tell you once again

Suddenly I'm frightened for my life

You took me for a ride

I want to say goodbye

Promising a vast adventure

This could be the last time

The next that I know

You see me alive

I'm frightened for my life

I, I may not survive

Now wait a minute man

Knew it from the moment we arrived

That's not how it is

( Cm Cm Cm )

You must be confused

( Cm Cm Cm )

That isn't who I am

( Cm Cm Cm )

Please don't be afraid

( Cm Cm Cm )

I would never try to hurt you

( Cm Cm Cm )

But this is how we live, strange although it seems

( Cm Cm Cm )

Please try to forgive

( Cm Cm Cm )

The chapel and the saint

Go and tell the world my story  
 Tell them of my brother, tell them about me
