

# Dream Theater - When Your Time Has Come

Tom: **D**

**D** **A**  
When your time has come  
**G** **D**  
And you're looking toward the light  
**G** **D**  
All that really matters  
**Em** **A**  
Is what you leave behind

**D** **A**  
So let your heart be free  
**G** **D**  
Keep your spirit burning bright  
**G** **Em**  
Set down the stones you carry  
**D** **A**  
Take the weight off your mind

**Bm** **A** **G**  
When you're facing the path that divides  
**Bm** **A** **G**  
Know that I will be there by your side  
**Bm** **A** **E**  
Find your strength in the sound of my voice  
**G7M** **Em7** **A7** **D**  
And you'll know which choice is right

**D G D G7M**

**D** **A**  
In this fleeting life

**G** **D**  
We can sometimes lose our way  
**G** **Em** **D** **A**  
But night is always darkest just before the new day

**Bm** **A** **G**  
When you're facing the path that divides  
**Bm** **A** **G**  
Know that I will be there by your side  
**Bm** **A** **E**  
Find your strength in the sound of my voice  
**G7M** **Em7** **A7** **Gbm**  
And you'll know which choice is right

**D** **Bm**  
This very moment  
**Dbm** **E**  
Was always meant to be  
**D** **Bm**  
I never noticed  
**Dbm** **Gbm**  
But all at once I see

**D** **E**  
On the worst of days when I felt most alone  
**A** **D**  
With no one to share the secret that I hide  
**D** **Gbm**  
I grew numb to all the emptiness inside  
**E** **A**  
But now I found my home
