

# Dream Theater - Wither

Tom: **Db**

p = pull  
b = bend

(John Petrucci usa uma guitarra barítono afinada em **Bb** standard, essa introdução foi adaptada)

(intro)

(intro)  
Let it out, let it out  
Feel the empty Space  
So insecure find the words and let it out

(intro)  
Staring down, staring down  
Nothing comes to mind  
Find the place turn the water into wine

**Gb** **Bbm**  
But I feel I'm getting nowhere  
**Gb** **Fm** **A**  
And I'll never see the end

**Db** **Ab** **Bbm** **Gb**  
So I wither and render myself helpless  
**Db** **Ab** **Bbm** **Gb**  
I give in and everything is clear  
**Db** **Ab** **Gb**  
I break down and let the story guide me

**Bbm** **Gb** **Bbm** **Gb** **Bbm**  
Turn it on, turn it on, let the feelings flow  
**Gb** **Db** **Ab**  
Close your eyes, see the ones you used to know  
**Bbm** **Gb** **Bbm** **Gb** **Bbm**  
Open up, open up, don't struggle to relate  
**Gb** **Db** **Ab**  
Lure it out, help the memory escape

**Gb** **Bbm**  
Still this barrenness consumes me  
**Gb** **Fm** **A**

And I feel like giving up

**Db** **Ab** **Bbm** **Gb**  
So I wither and render myself helpless  
**Db** **Ab** **Bbm** **Gb**  
I give in and everything is clear  
**Db** **Ab** **Bbm** **Gb**  
I break down and let the story guide me  
**Db** **Ab** **Bbm** **Gb**  
I wither and give myself away

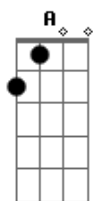

**Ebm** **Ebm** **Gb**  
Like reflections on the page  
**Ab** **Gb** **Ab** **Bbm** **Gb** **Ab** **Bbm**  
The world's what you create

**Gb** **Ab** **Bbm**  
I drown in hesitation, my words come crashing down  
**Gb** **Ab** **Bbm**  
And all my best creations burn into the ground  
**Gb** **Ab** **Db** **Ab** **Bbm**  
The thought of staring over, leaves me paralysed  
**Gb** **Fm** **Ab**  
Tear it out again, another one that got away

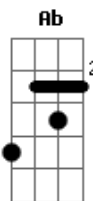

(piano)  
I wither  
And render myself helpless  
I give in  
And everything is clear  
**Db** **Ab** **Bbm** **Gb**  
So I wither and render myself helpless  
**Db** **Ab** **Bbm** **Gb**  
I give in and everything is clear  
**Db** **Ab** **Bbm** **Gb**  
I break down and let the story guide me  
**Db** **Ab** **Bbm** **Gb**  
I wither and give myself away

**Ebm** **Ebm** **Gb**  
Like reflections on the page  
**Ab** **Bbm** **Gb** **Bbm**  
The world's what you create  
**Gb** **Bbm** **Gb** **Bbm**  
The words which you create  
**Gb** **Bbm**  
Let it out, let it out
