

Dream Theater - Wither

Tom: **Db**

p = pull
b = bend

(John Petrucci usa uma guitarra barítono afinada em **Bb** standard, essa introdução foi adaptada)

(intro)

(intro)
Let it out, let it out
Feel the empty Space
So insecure find the words and let it out

(intro)
Staring down, staring down
Nothing comes to mind
Find the place turn the water into wine

Gb **Bbm**
But I feel I'm getting nowhere
Gb **Fm** **A**
And I'll never see the end

Db **Ab** **Bbm** **Gb**
So I wither and render myself helpless
Db **Ab** **Bbm** **Gb**
I give in and everything is clear
Db **Ab** **Gb**
I break down and let the story guide me

Bbm **Gb** **Bbm** **Gb** **Bbm**
Turn it on, turn it on, let the feelings flow
Gb **Db** **Ab**
Close your eyes, see the ones you used to know
Bbm **Gb** **Bbm** **Gb** **Bbm**
Open up, open up, don't struggle to relate
Gb **Db** **Ab**
Lure it out, help the memory escape

Gb **Bbm**
Still this barrenness consumes me
Gb **Fm** **A**

And I feel like giving up

Db **Ab** **Bbm** **Gb**
So I wither and render myself helpless
Db **Ab** **Bbm** **Gb**
I give in and everything is clear
Db **Ab** **Bbm** **Gb**
I break down and let the story guide me
Db **Ab** **Bbm** **Gb**
I wither and give myself away

Ebm **Ebm** **Gb**
Like reflections on the page
Ab **Gb** **Ab** **Bbm** **Gb** **Ab** **Bbm**
The world's what you create

Gb **Ab** **Bbm**
I drown in hesitation, my words come crashing down
Gb **Ab** **Bbm**
And all my best creations burn into the ground
Gb **Ab** **Db** **Ab** **Bbm**
The thought of staring over, leaves me paralysed
Gb **Fm** **Ab**
Tear it out again, another one that got away

(piano)
I wither
And render myself helpless
I give in
And everything is clear
Db **Ab** **Bbm** **Gb**
So I wither and render myself helpless
Db **Ab** **Bbm** **Gb**
I give in and everything is clear
Db **Ab** **Bbm** **Gb**
I break down and let the story guide me
Db **Ab** **Bbm** **Gb**
I wither and give myself away

Ebm **Ebm** **Gb**
Like reflections on the page
Ab **Bbm** **Gb** **Bbm**
The world's what you create
Gb **Bbm** **Gb** **Bbm**
The words which you create
Gb **Bbm**
Let it out, let it out
