

# The Dresden Dolls - Bad Habit

tom:

Ab

Ab

Biting keeps your words at bay

Ab

Tending to the sores that stay

Ab Eb

Happiness is just a gash away

Ab

When I open a familiar scar

Ab

Pain goes shooting like a star

Abm Eb

Comfort hasn't failed to follow so far

Cm Eb

And you might say it's self-indulgent

Cm Eb

You might say its self-destructive

Cm Eb

But, you see, it's more productive

Cm Ab

Than if I were to be healthy

Ab

And pens and penknives take the blame

Ab

Crane my neck and scratch my name

Ab

But the ugly marks

Ab

Are worth the momentary gain

Abm

When I jab a sharpened object in

Ab

Choirs of angels seem to sing

Abm Eb

Hymns of hate in memorandum

Cm Eb

And you might say it's self-indulgent

Cm Eb

And you might say it's self-destructive

Cm Eb

But, you see, it's more productive

Cm Ab

Than if I were to be happy

Fm Ab

And sappy songs about sex and cheating

Fm Ab

Bland accounts of two lovers meeting

Fm Ab

Make me want to give mankind a beating

( Eb Ab Eb )

Cm Eb

And you might say it's self-destructive

Cm Eb

But, you see, I'd kick the bucket

Cm Ab

Sixty times before I'd kick the habit

Ab

And as the skin rips off

Abm

I cherish the revolting thought

Abm

That even if I quit

Ab

There's not a chance in hell I'd stop

Abm

And anyone can see the signs

Abm

Mittens in the summertime

Abm Eb

Thank you for your pity, you are too kind

Cm Eb

And you might say its self-inflicted

Cm Eb

But you see, that's contradictory

Cm

Why on earth would anyone

Ab

Practice self-destruction?

Fm Ab

And pain opinions are sitcom feeding

Fm Ab

They don't know that their minds are teething

Fm Ab

Makes me want to give mankind a beating

( Eb Ab Eb )

Ab

I've tried bandages and sinking

Ab

I've tried gloves and even thinking

Abm Eb7

I've tried vaseline

Abm Eb

I've tried everything

Fm Ab

And none cares if your back is bleeding

Fm Ab

They're concerned with their hair receding

Fm Ab

Looking back, it was all maltreating

Fm Ab

Every thought that occurred misleading

Fm Ab

Makes me want to give myself a beating

[Final] Eb Ab G
