

# The Dresden Dolls - Wintercoat

tom:  
 Bm  
 We were lovers once long ago  
 Bm Em Bm Em  
 Walking through cold city streets like lovers do  
 Bm Em Am G  
 Stopped inside a market  
 Bm Em  
 Kissed behind a stall  
 Bm Em  
 Someone said you'd better move on  
 Am D G D C Am  
 If you're not buying at all

Bm Em Bm Em  
 Then I saw the winter coat hanging on the rack  
 Bm Em  
 I thought about that winter coat  
 Am G  
 Hanging on my back  
 Bm Em  
 So you helped me try it on  
 Bm Em  
 It was just my size  
 Bm Em  
 Then you bought that coat for me  
 Am D G  
 After haggling over the price

[Refrão]

D Em C G D C  
 Now when it's chilly Up in these cold cold hills  
 D Em C G  
 I just put on my winter coat  
 D Em Bm Em  
 My winter coat  
 Bm Em Bm Am G  
 Keeps me warm

Bm Em  
 Years have come along  
 Bm Em  
 Years have gone  
 Bm Em  
 Some friends have risen  
 Am G  
 Some have moved on  
 Bm Em  
 And my old winter coat still  
 Bm Em  
 Hangs by my front door  
 Bm Em  
 Holding all the stories  
 Am D G  
 I don't remember anymore

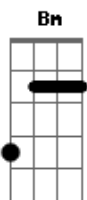

[Refrão]

D Em  
 And when it gets freezing  
 C G D C  
 Up in these cold cold hills  
 D Em C G  
 I just put on my winter coat  
 D Em Bm Em  
 My winter coat  
 Bm Em  
 Keeps me warm

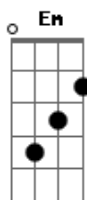

( Bm Am G )

Bm Em  
 My winter coat  
 Bm Em Am G  
 My winter coat  
 Bm Em  
 My winter coat  
 Bm Em Am G  
 My winter coat
