

## **Dried Cassava - Paradox**

```
Intro: B7M E7M B7M E7M
                                                           I hope the sky is where you find it all
        B7M E7M B7M E7M
                                                           Δ7M
                                                           Am I the one? Am I the one who?s talking?
E|---6--6--6--6--6--6--
  ---7--7-7--7--7--7--7--7-7-7-1
                                                           Am I the one? Am I the one who?s leaving?
G | -8----8-8--8--8--8--8-8-8-
Am I the one? Am I the one who?s talking?
  -----
                                                           Am I the one? I know
                                                           Bm7
                                                           Together all the scene
EI--
 ---7--7-7--7--7--7--7--7-
G | ---8--8-8--8--8--8-8-8-
                                                           Am I the one? Am I the one who?s talking?
Am I the one? Am I the one who?s leaving?
                                                           A7M
                                                           Am I the one? Am I the one who?s talking?
We talk about a scene and I
                                                           Am I the one? I know
                                 F7M
     B7M
                                                           Bm7
Put together all the pieces you love
                                                           Together all the scene
It all with hearts you?ll find the answers
                                                           ( A7M A Bm7 A7M A Bm7 )
                                                           ( A7M A Bm7 A7M A Bm7 )
   F7M
                                                           ( D7M E7M A7M A7M )
You start to jump but the ground seems getting closer
                                                           ( D7M E7M A7M A7M )
 Up in the clouds is where you are
                                                           ( D7M E7M A7M )
 E7M
I hope the sky is where you find it all
                                                           A7M
                                                           Am I the one? Am I the one who?s talking?
A7M
                                                           A7M
Am I the one? Am I the one who?s talking?
                                                           Am I the one? Am I the one who?s talking?
Am I the one? Am I the one who?s leaving?
                                                           A7M
                                                           Am I the one? Am I the one who?s talking?
Am I the one? Am I the one who?s talking?
                                                           Am I the one? Am I the one who?s leaving?
Am I the one? I know,
                                                           A7M
            B7M E7M
                       B7M
                             F7M
                                                           Am I the one? Am I the one who?s talking?
You?ll never know. Aaah
                                                           Am I the one? Am I the one who?s leaving?
Miles away I saw you
        B7M
                                        F7M
                                                           Am I the one? Am I the one who?s talking?
With sad eyes and a smile that turn into a nightfall
                                                           Am I the one? Am I the one who?s leaving?
       B7M
She was laying there, finding the answers
                                                           Am I the one? Am I the one who?s talking?
        E7M
Draw the lines with all the stars in her hands
                                                           Am I the one? I know,
Then I touch the ground I see that she?s not there
                                                           Bm7
                                                           Together all the scene
```
