

Dry The River - No Rest

Tom: **F**

[Verso 1]

F
I used to be a king alone
C
Like Solomon or Rehoboam
F
And in this, a corvée day
C
Did jealous keep my picture frames
Em **G** **C**
And everything did oxidate in place

[Verso 2]

F
But then you came, a single cell
C
With astrolabe and carousel
F
And algebra and symmetry
C
And none of this was lost on me
Bb Bb Bb Bb Bb Bb F
And I could see how still I'd been before
Bb Bb Bb Bb Bb Bb F
If I don't eat, I don't sleep at all.

[Ponte 1]

Bb
Like limbs in procession,
Dm
Like so many birds,
Bb
Stampeding like oxen,
Dm

Our hearts are a herd

[Refrão]

C
I loved you in the bed,
Dm **C**
I loved you in the best way possible,
Dm
I loved you in the bed,

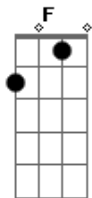

[Ponte 2]

F **A** **Bb**
Did you see the light in my heart?
F **A** **Bb**
Did you see the sweat on my brow?
F **A** **Bb**
Did you see the fear in my heart?
F **A** **Bb**
Did you see me bleeding it out?

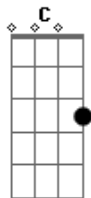

[Refrão]

C
I loved you in the bed,
Dm **C**
I loved you in the best way possible,
Dm **Bb**
I loved you in the best way possible,
Dm **C**
I loved you in the best way possible,
Dm **C**
I loved you in the best way possible,
F
I loved you in the bed.
