Am  
Know you're bad for me, but you know I am too  
Me and you together, like a loved up bruise  
Em  
I'll make you an offer that you can't refuse  
D  
Baby, you're okay, baby, you're okay  
Am  
No, you won't, won't go breaking my heart  
Am  
You've seen that we got the same pain, same scar  
Em  
Felt that woman got closer in the dark  
D  
Baby, I'm okay, baby, I'm okay

Am  
Baby, when, when you're far away  
Am Bm Em  
I promise you I'll be good, I guess we're misunderstood  
Am  
So baby, please, don't hear what people say  
Am Bm Em  
'Cause I've heard things 'bout you too, makes me know that I'm  
for you

C  
Oh, no, I don't care what's been done here before me  
Em  
I don't give a damn, just as long as you care  
C  
'Cause, baby, I've been bad, but the heavens forgave me  
Em  
You don't need to ask 'cause I'm already there  
C  
Let's be bad together, baby, you and I  
Em  
Let's be bad together, if only for a while  
C  
Let's be bad together, make the devil smile  
Em  
Let's be bad together, let's be bad together, ooh yeah
