

Dua Lipa - Electricity

Tom: G
Intro: Dm F Dm C
Dm F Dm

[Primeira Parte]

Falling into you, baby
Even electricity can't compare to what I feel when I'm with you
Ooh, baby
Giving up my ghost for you
And now I'm see-through

[Pré-Refrão]

You give me a feeling, feeling so strong
I know you've been treating, treating yourself wrong
So let me care for you
Ooh, baby
I'ma love you differently
I'll give you electricity
Give it to you

[Refrão]

And even if I could
I wouldn't turn on you
And I would stop the world for you, you know
I wanted to let you know, I'll never let this feeling go
This love has no ceiling, I cannot deny
Even if I could
I wouldn't turn on you
And I would stop the world for you and I
I want to let you know, I'll never let this feeling go
This love has no ceiling, I cannot deny

[Segunda Parte]

All I see is you, lately
Wide awake and in my dreams
I see your face so vividly
I don't know what I'd do
Ooh, baby
If you only saw a friend in me
I'd be bittersweet

[Pré-Refrão]

You give me a feeling, feeling so strong
C F C F

I know you've been treating, treating yourself wrong
So let me care for you
Ooh, baby
I'ma love you differently
I'll give you electricity
Give it to you
[Refrão]

And even if I could
I wouldn't turn on you
And I would stop the world for you, you know
I wanted to let you know, I'll never let this feeling go
This love has no ceiling, I cannot deny
Even if I could
I wouldn't turn on you
And I would stop the world for you and I
I want to let you know, I'll never let this feeling go
This love has no ceiling, I cannot deny

[Ponte]

I feel electric, baby
So electric, baby
Wanna let you know, let you know, ooh
I think I'm ready, baby
I think I'm ready, now
Electricity, I'm falling in to you
I feel electric, baby (I want it, I need it)
So electric, baby (this current between us)
Wanna let you know, let you know (this flow, this feeling tonight)
I think I'm ready, baby (I want it, I need it)
I think I'm ready, now (this current between us)
Electricity, I'm falling in to you (this flow, this feeling tonight)

[Refrão]

And even if I could
I wouldn't turn on you
And I would stop the world for you, you know
I wanted to let you know, I'll never let this feeling go
This love has no ceiling, I cannot deny
Even if I could
I wouldn't turn on you
And I would stop the world for you and I

I want to let you know, I'll never let this feeling go
 This love has no ceiling, I cannot deny

[Terceira Parte]

I feel electric, baby
 So electric, baby
 Wanna let you know, let you know
 (I want it, I need it)
 I think I'm ready, baby

(This current between us)
 I think I'm ready, now
 (This flow, this feeling)
 Electricity (woohoo)
 I feel electric, baby
 So electric, baby
 Wanna let you know, let you know
 I think I'm ready, baby
 I think I'm ready, now
 Electricity
