[Primeira Parte]

Late on a Tuesday, I saw your picture  
You were so happy, I could just tell  
She's really pretty, I think she's a model  
Baby, together you look hot as hell

[Pré-Refrão]

And I didn't even want to cry  
(Oh, what is this feeling?)  
Couldn't believe it, had to ask myself why

[Refrão]

I must've loved you more than I ever knew  
(Didn't know I could ever feel)  
'Cause I'm happy for you  
(Now I know everything was real)  
I'm not mad, I'm not hurt  
You got everything you deserve  
I must've loved you more than I ever knew  
I'm happy for you

[Segunda Parte]

And looking back now, I hope you see it  
Even the hard parts were all for the best  
I see where you're at now, you picked up the pieces  
And then you gave them to somebody else

[Pré-Refrão]

## Acordes
