Dua Lipa - Last Dance

```
Tom: B
Intro:  E   Abm   E   Abm   Gb

E
Fatal, this attraction, yeah we might just end up crashin'
         Abm
But I'm ready if it happens with you
E
Meet me out in Cali when I'm far away from family
        Abm                      Gb
And I need someone to hold onto

                        E
You're the only thing I know
               Abm          Gb
And I don't wanna let this go
                        E
Close to you are I feel, feel like I'm at home
          Abm         Gb
Can't wait 'til we're alone

              E
We were built to last
                        Gb
We were built like that
        Abm
Baby take my hand
                        Ebm
Tighten this romance
E
We could burn and crash
                        Gb
We could take a chance
         Abm
Holdin' nothin' back
                        Gb
Like it's our last dance

E  Gb   Abm                     Eb E
          Like it's our last dance

Gb   Abm                        Gb
          Like it's our last dance

Dbm
My eyes wide open, fallin' in and out of focus
Gb       Abm                  Eb
  Pressure flowin' like a river in my head
E                                       Gb
Crying, you ain't with me and it's floodin' the whole city
         Abm                      B
While my soul's burnin' like a cigarette

Gb                    E
 You're the only thing I know
         Gb          Ab
And I don't wanna let this go

E
Way too soon to feel so strong
Ab                    Gb              E
Way too young to hurt so long, I'm hurtin'
             Abm  Gb E
Was it worth  it?
