

# Dua Lipa - New Love

Tom: G

[Verse 1]

Now it's getting quiet here  
 Now it's getting blue  
 And this baby ain't no fair  
 Taking up my youth  
 You've been telling me some lies  
 I've been thinking it's the truth  
 But I see it in your eyes  
 The things that you do  
 I don't wanna waste more time all alone  
 Want somewhere to go  
 Something to call my own  
 And I ain't satisfied  
 When you're gone

Lost out on the road, washed up on the shore

[CHORUS]

And I've been through mountains and seas  
 Tryina get you to come back to me  
 And I've been far and I've been so deep  
 Now I find it harder, and harder to breathe  
 And I need some new love, new love, new love  
 And I need some new love, new love, new love

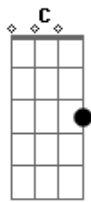

[BRIGDE]

Easy come, easy go, why?  
 I've been living on, living on  
 Living on, give it all, give it all  
 Can't I just let it go?  
 'Cause I wait for a miracle  
 I wait for a miracle, yeah!
