

Dua Lipa - We're Good

tom:
Capostrate na 1ª casa

Abm (forma dos acordes no tom de **Gm**)

I'm on an island, even when you're close
Can't take the silence, I'd rather be alone
I think it's pretty plain and simple, we gave it all we could
It's time I wave goodbye from the window

Let's end this like we should and say we're good
We're not meant to be like sleeping and cocaine
So let's at least agree to go our separate ways
Not gonna judge you when you're with somebody else
As long as you swear you won't be pissed when I do it myself
Let's end it like we should and say we're good

No need to hide it, go get what you want
This won't be a burden if we both don't hold a grudge
I think it's pretty plain and simple, we gave it all we could
It's time I wave goodbye from the window

Let's end this like we should and say we're good

We're not meant to be like sleeping and cocaine
So let's at least agree to go our separate ways
Not gonna judge you when you're with somebody else
As long as you swear you won't be pissed when I do it myself
Let's end it like we should and say we're good

Now you're holding this against me, like I knew you would
I'm trying my best to make this easy
So don't give me that look, just say we're good

We're not meant to be like sleeping and cocaine
(Like sleeping and cocaine)
So let's at least agree to go our separate ways
(To go our separate ways, oh)
Not gonna judge you when you're with somebody else
As long as you swear you won't be pissed when I do it myself
Let's end it like we should and say we're good
