

The Dubliners - The Rising Of The Moon

Intro: ^D ^A ^G
^D ^A ^D

Tom:

And come, tell me Sean O'Farrell, tell me why you hurry so?
^G ^D ^A

Hush a bhuachaill, hush and listen, and his cheeks were all aglow

I bear orders from the captain: get you ready quick and soon
^G ^D ^A ^D

For the pikes must be together by the rising of the moon

By the rising of the moon, by the rising of the moon
^G ^D ^A ^D

For the pikes must be together at the rising of the moon

And come tell me Sean O'Farrell, where the gath'rin is to be?
^G ^D ^A ^D

In the old spot by the river, quite well known to you and me

One more word for signal token: whistle out the marchin' tune
^G ^D ^A ^D

With your pike upon your shoulder, at the rising of the moon

At the rising of the moon, at the rising of the moon
^G ^D ^A ^D

With your pike upon your shoulder, at the rising of the moon

Out from many a mud wall cabin eyes were watching through the night
^G ^D ^A ^D

Many a manly heart was beatin, for the blessed morning light
^A

Murmurs ran along the valleys to the banshee's lonely croon
^G ^D ^A ^D

And a thousand pikes were flashing by the rising of the moon

By the rising of the moon, by the rising of the moon
^G ^D ^A ^D

And a thousand pikes were flashing by the rising of the moon

All along that singing river that black mass of men was seen
^G ^D ^A ^D

High above their shining weapons, flew their own beloved green

Death to every foe and traitor! Whistle out the marching tune
^G ^D ^A ^D

And hurrah my boys for freedom; tis the rising of the moon

Tis the rising of the moon, tis the rising of the moon
^G ^D ^A ^D

And hurrah my boys for freedom; tis the rising of the moon

Well they fought for poor old Ireland, and full bitter was their fate
^G ^D ^A ^D

Oh what glorious pride and sorrow, fills the name of ninety-eight!

Yet, thank God, e'en still are beating hearts in manhood burning noon
^G ^D ^A ^D

Who would follow in their footsteps, at the risin' of the moon

By the rising of the moon, by the rising of the moon
^G ^D ^A ^D

Who would follow in their footsteps, at the risin' of the moon
 (^C ^G ^F ^C ^G ^C)
