tom:

Intro: ^{Db} ^{Fm} ^{Gb} ^{GbmM}
^{Db} ^{Fm} ^{Gb} ^{Ab}

^{Db} ^{Fm}
Friday, just a normal day
^{Gb} ^{GbmM}
But you set my heart on fire
^{Db} ^{Fm}
Dumb, no words to say
^{Gb} ^{Ab}
Just a hug to interwine

^{Db}
But I let it go
^{Fm}
I get out of control
^{Gb}
I want it to flows
^{GbmM}
To see how it goes

^{Db}
It was you and me
^{Fm}
Now I'm feeling free
^{Gb}
In your eyes I see
^{Ab}
All that I believe

^{Db} ^{Ab}
You came in the right place the perfect time
^{Gb} ^{Gbm}
The stars and the moon was the party night
^{Db} ^{Fm}
We danced and we sang until midnight
^{Ab} ^{Ab7}
Without you, the life won't be the same

(^{Db} ^{Fm} ^{Gb} ^{Ab})
