

Duda Cavalheiro - Window Light

tom:

B

Badd9
Trought this window

E
And behind this door

Badd9
Forgetting all this darkness

E
Standing up from the floor

Badd9
My eyes are open

E
Sunshine outside

B
But my heart is closed

E7
I can't feel the bright

Abm
And when I realise

Eadd9 **Badd9** **Gbadd9**
Your touch, your warm beside

Abm
The bliss when I arrive

Eadd9 **Badd9** **Gbadd9**
But you were gone tonight

[Refrão]

G#mM
I'm not denying

Eadd9
I am still in control

Badd9
The love is dying

Gb7
I wanna let it go

G#mM
That's so pretencious

Eadd9
I wanna sing out loud

Badd9
Before I mentioned

Gbadd9
For this big world crowd

(**G#mM** **E** **Badd9** **Gbadd9**)

I can see the light

I feel peace and hope

Badd9
My eyes are closed

Sunshine outside

B
But my heart is open

E7
I can feel the bright
