

Dudu Nicácio - Alegria Real

tom: A

Quando fevereiro chegar
 Eu vou deitar e rolar

E me embolar com você
 Debaixo de chuva ou de sol

Na esteira ou no lençol
 Me embaralhar com você

Me enroscar nos seus cabelos
 Me embriagar com o seu cheiro

Você minha alegria real
 Meu maior alto astral

Meu LSD
 Minha melhor fantasia
 Purpurina do meu carnaval

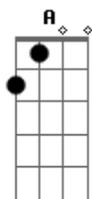

Vem e me dá o seu braço
 Pra eu não te perder nesse cordão

Me cheira, me beija, me afaga
 Alucina de paixão

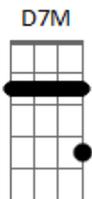

Esfrega o seu corpo suado
 Confete grudado de tesão

Vamos ficar à vontade
 E delirar na ilusão
