

# Dudu Nicácio - As Meninas

tom: A

Olha quem vem ali

É o meu amor de carnaval na multidão

Que nome ele tem

Não sei ainda não

Paulinha, Bebete

Ou Maria Leonor

Em meio à confusão

Eu vou beijar o meu amor

Mão vai daqui, oba

Mão vem de lá

Mas olha que linda a alegoria

A gente diz e pede bis

Até que quarta-feira raie o dia

No carnaval, você vai ser de mim

Nessa folia, eu serei de você

Então gruda em mim

Até a banda passar
