

Dudu Nicácio - Meu Mito

tom:

Intro: A E7 D A
Dm Cadd9 Dm C G7

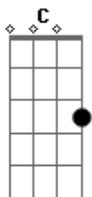

Do nada você surgiu
Dançando, girando
Sem tempo, espaço
Forma ou direção
Na sua pele eu aprendi
Os valores da natureza
Seus contornos me revelaram
O ritmo da beleza
Você é o meu grande mito
A minha Gaia, terra divina
Tudo em seu ventre é bonito

É sempre fértil, vida que ensina

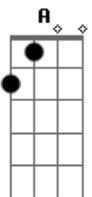

Gm C7 F
É você que me alimenta
E7 Am
Me aquece e me recria
G7
Prometo não lhe ser cruel
Gm C7
Nem lhe tirar a alegria
F E7
Nossa união será perene
Am
O tempo não vai separar
D7
As fúrias podem existir
Dm E7
Mas a paz será nosso lar

A E7
Por você que me acalma
Bm E7 A
Eu faço essa oferenda
F Dm C Am
Presente, cura pra todo mal
Dm G7 C
Segredo que não se desvenda
