

# Duffy - Syrup & Honey

Tom: **D**

Don't you be wasting all your money

On syrup and honey

Because I'm sweet enough

Don't you be using every minute

On making a living

Because we've got our love

Listen to me, 1, 2, 3...

Baby, baby, baby spend your time on me...

**D**

Don't you be out all night long

Leaving me all alone

Because I, I need your love

Don't you be spending everyday day working away

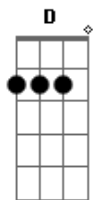

Because I'm waiting for you

Listen to me, 1, 2, 3...

Baby, baby, baby spend your time on me...

Spend it, spend it, spend it, your time on me...  
Please baby  
Mmmm...  
Please baby
