

Dunga - Legado De Pai

Tom: G
Intro: G Eb | F C | G Eb | F C

Não pense que foi em vão
Tudo que sofreu seu coração
Sempre contarei sua história
Os filhos dos seus filhos te conhecerão

Do cheiro daquele antigo cobertor
Dos ensinamentos que você me deu
Vi muita gente feliz,
Muita gente ajudada saindo da sala
Teu jeito tranqüilo,
Teu jeito tão simples de dar o perdão

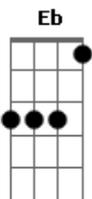

Pai o Evangelho eu vi
Quando olhei pra você
Pregando pra mim
Pai o Evangelho eu vi
Quando olhei pra você
Pregando em silêncio pra mim

Lembro daquelas histórias
De como me envolveu sua imaginação
Da cara de bravo que escondia
Doçura, singeleza e muita decisão
Da minha mão pequenina
Da mão calejada que me conduziu
