

Dustin Lynch - Good Girl

Tom: G

I got it good girl 'cause I got myself a good girl

Still can't believe I found you, can't imagine life without you

I could take you home to Mama, take you to the church right down the street

Yeah you up and took my whole world and made it so good girl

Aw so good baby

Yeah they say when you know you know, and I know one thing's for sure

I got it good girl 'cause I got myself a good girl

Still can't believe I found you, can't imagine life without you

I could take you home to Mama, take you to the church right down the street

Yeah you up and took my whole world and made it so good girl

Aw so good baby, yeah

You know sometimes I dream 'bout 55 years from now

Gonna still be me you and me watchin' that sun goin' down

I'll still be stealin' your kisses, I'll still be holdin' your hand

I still look at you and I pinch myself, good Lord I'm a lucky man

I got it good girl 'cause I got myself a good girl

Still can't believe I found you, can't imagine life without you

I could take you home to Mama, take you to the church right down the street

Yeah you up and took my whole world and made it so good girl

Aw so good baby

I was lost in the neon lights 'til the day that you called me yours

And they say when you know you know, and I know one thing's for sure

I got it good girl 'cause I got myself a good girl

Still can't believe I found you, can't imagine life without you

I could take you home to Mama, take you to the church right down the street

Yeah you up and took my whole world and made it so good girl

Aw so good baby

('Cause I got myself a) good girl

(Still can't believe I) I found you

Good Lord I'm a lucky man

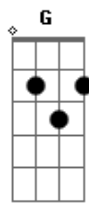

I could take you home to Mama, take you to the church right down the street

Yeah you up and took my whole world and made it so good girl

Aw so good baby
