It ain't in a high rise looking for a good time shutting down
the city lights
It ain't in the water floating like a bobber soaking up that
hot sunshine
As good as it gets, no that ain't where it is

[Refrão]

It's at 2 am when she's reaching? over
Faded T-shirt hanging off her shoulder
Dressed up, hair down, in a ball cap
Yep yep, as long as I get that
Sweet little something late night kiss
On a plane or a train or way back in the sticks
I swear, if she's there, that's where
Yep yep, that's where it's at

(Eb Bb Gm7 F)
(Eb Bb Gm7 F)

[Segunda Parte]

It ain't in a suped-up shiny red new truck, if she ain't to my
right
It ain't in a dive bar, tall can of PBR, poppin' tops rockin'
all night

As good as it gets, no that ain't where it is

[Refrão]

It's at 2 am when she's reaching? over
Faded T-shirt hanging off her shoulder
Dressed up, hair down, in a ball cap
Yep yep, as long as I get that
Sweet little something late night kiss
On a plane or a train or way back in the sticks
I swear, if she's there, that's where
Yep yep, that's where it's at

[Ponte]

No, it don't matter wherever we're at (no)
No, it don't get no better than that
It ain't in a suped-up shiny red new truck, if she ain't to my
right

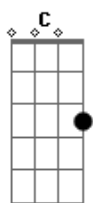

[Refrão]

It's at 2 am when she's reaching? over
