

DVSN - Angela

Tom: E

Gbm B
Everybody's got different sides to 'em
Dbm B A
She's no exception to the rule
Gbm B
One day she's hotter than the sun
Dbm B A
Next she's colder than the moon
Gbm B
You say you want to feel appreciated
Dbm B A
So before you come around
Gbm B
I can ask how far it's come
Dbm B A
To be ready for us now

Abm B E Gbm
Always thought she was the prettiest
Dbm Gbm Dbm A
But she don't know
A B Dbm
So nice to meet you Angela

Gbm B
Now how shit begins don't represent the end
Dbm B A
It's not always what it's about
Gbm B
There's ups and downs to the East and the West
Dbm B A
Sometimes it's north and south
Gbm B
I pray for all my meals
Dbm B A
And I hope to God hope that he can hear me
Gbm B
Don't let her get caught up now
Dbm B A
Cause the world out there is less forgiving

Abm B E Gbm
Always thought she was the prettiest
Dbm Gbm Dbm A

But she don't know
A B Dbm
So nice to meet you Angela
Gbm Abm Dbm B A
Yeah yeah yeah yeah yeah
Gbm Abm Dbm B A
Yeah yeah yeah oh yeah yeah
Dbm B A
Oh yeah yeah
Gbm B
No more hanging in the shadows
Dbm B A
She's bringing it all into the light
Gbm B
She put it all on display
Dbm B A
Even her darker side
Gbm B
And it ain't easy
Dbm B
Holding onto yourself
A
And making it out alive
Gbm B
I know what's out there for you
Dbm B A
It should come as no surprise

Chorus:
Abm B E Gbm
Always thought she was the prettiest
Dbm Gbm Dbm A
But she don't know
Gbm Abm Dbm B A
Yeah yeah yeah yeah yeah
Gbm Abm Dbm B A
Yeah yeah yeah oh yeah yeah
Dbm B A
Oh yeah yeah

A B Dbm
No one's gonna fool around with us
A B Dbm
So nice to meet you Angela
