

Eagle-Eye Cherry - Don't give up

Tom: **D**

All our dreams are gone **D**
 With a loss of faith **G**
 We're still hanging on **D**
 For another day **G**
 It's so hard to see **D**
 That it's going to get better **G**
 And when will that be **D**
 It's hard to say **G**

Gbm **Bm**
 We must believe
 That if we give we will receive **Gbm** **Bm**
Gbm **Em**
 Yes we must believe
 That it's going to get better **D** **A**

D
 Don't give up
 Never give up
G
 We won't stop giving

Giving all we got
 Now we're breaking away **D**
 From what holds us down **G**
 This could be the day **D**
 That brings out the light **G**
 Now we're marching on **D**
 With the will of never giving up **G**
 This time we'll have won **D**
 Without a fight **G**

Gbm **Bm**
 We must believe?

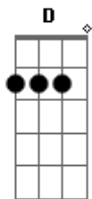

Solo: **C** **G** **D** (2x)

(**G** **D**)
 Forgive and forget don't hold on to the bitterness
 Filled with regrets we don't wanna go there again
 The glass is half full so lets get it on with togetherness **Em**
 And our number will grow we will prevail in the end **D**

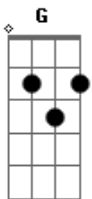

Solo: **C** **G** **D** (2x)
