

# Eagle-Eye Cherry - Promises Made

Tom: D

D D D D E A  
Promises made they were lost, somewhere beside you  
D D D D E A  
Waiting around can leave some, feeling like I do  
D D D D E A  
Promises made and we stayed, dreaming of leaving

Refrão: Bm Gbm G A  
We will find good days for us  
Bm Gbm G A  
The sun will shine brightly  
Bm Gbm G A Em A  
Live our life if only for just a moment

D D D D E A

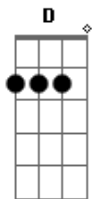

The goodbyes are gone but the echoe remains to remind you  
D D D D E A  
Oh we could belong to the lucky ones, if we just tried to  
D D D D E A  
Promises made where we laid, our days of believing

(Repete o Refrão)

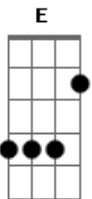

D D D D E A  
It's okay to cry for a moment when promises shatter  
D D D D E A  
But don't waste your tears for too long, because soon it won't  
matter  
D D D D E A  
Promises made they were lost, but don't bother grieving
