Intro: G Am Em D G

Am  
Loving you's just getting harder  
Em  
and harder to do  
Cause my head says no but  
D G  
my phone keeps calling you  
Am  
And you never pick up unless  
Em  
you've got nothing to do  
But you say that you want me  
D  
Much as I want you  
G  
Over and over  
Am  
Like it's Red rover  
Em D  
Will your games ever be through  
G

Play me over and over

Am  
Pac Man and lover  
Em D  
Hoping you run out of quarters soon

C  
Don't hurt me  
D  
Leave me  
Em D  
No I don't mean that  
C D Em  
Love me all the way to death

G Am  
Oh it's killing me how  
Em  
Fear is holding me down  
C  
But I wanna hold you

G Am  
Oh I might burn to the ground  
Em  
But see me burn with a smile  
C  
If I die it's with you
