

eaJ - Pinocchio

Ab tom:
[Primeira Parte]

She calls me on the weekend
When she got nothing to do
Or heavy on the alcohol
I?can?smell it through?the phone
Say that I don't love?you
And so extends my nose
Why'd you take my heart?
What the hell do you need another for?

[Pré-Refrão]

Guess you've always been heartless to me
But Pinocchio can't get off the island
Stuck silent

[Refrão]

I want nothing but you
And it may be games to you
But nothing really makes sense
So why would this need to
Nothing but you, nothing but you
