

# eaJ - Pinocchio

Ab tom:  
[Primeira Parte]

She calls me on the weekend  
When she got nothing to do  
Or heavy on the alcohol  
I?can?smell it through?the phone  
Say that I don't love?you  
And so extends my nose  
Why'd you take my heart?  
What the hell do you need another for?

[Pré-Refrão]

Guess you've always been heartless to me  
But Pinocchio can't get off the island  
Stuck silent

[Refrão]

I want nothing but you  
And it may be games to you  
But nothing really makes sense  
So why would this need to  
Nothing but you, nothing but you
