Intro: G Em Am D D

I wake up every mornin', I stumble out of bed  
Stretchin' and a-yawnin', another day ahead  
It seems to last forever, and time goes slowly by  
?Til babe and me's together, then it starts to fly

'Cause the moment that he's with me, time can take a flight  
The moment that he's with me, everything's alright  
Night time is the right time, we make love  
Then it's his and my time, we take off

My baby takes the morning train  
He works from nine ?til five and then  
He takes another home again  
To find me waitin' for him

He takes me to a movie, or to a restaurant  
To go Slow dancing, anything I want  
Only when he's with me, I catch a light  
Only when he gives me, makes me feel alright

My baby takes the morning train  
He works from nine ?til five and then  
He takes another home again

To find me waitin' for him  
All day I think of him  
Dreamin' of him constantly  
I'm crazy mad for him  
And he's crazy mad for me  
When he steps off that train  
Amazingly full of fight  
He works all day  
To earn his pay  
So we can play all night

My baby takes the morning train  
He works from nine ?til five and then  
He takes another home again  
To find me waitin' for him

He?s always on that morning train  
He works from nine 'til five and then  
He takes another home again  
To find me waitin' for him

My baby takes the morning train  
He works from nine 'til five and then  
He takes another home again  
To find me waitin' for him
