

# Echo & The Bunnymen - All My Life

tom:

D

Oh how the times have  
A  
Changes us  
G D  
Sure and now uncertain  
A  
Men not devils have claimed us  
G D  
Purity deserting  
A  
God's one miracle  
G D  
Lost in circles

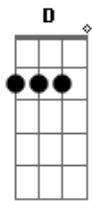

D G  
All my all my life

Revolves around  
D  
Laughter and crying  
G  
As my life turns  
D

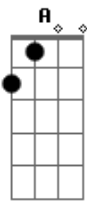

Round and round

D A  
Cannon fire burning  
G D  
On the hillside  
A  
You and I are side by side  
G D  
Listen  
A G D  
Tin soldiers playing our tune  
D G D G  
And round  
D A  
Songs for life's lost lovers  
G D  
Bitter sweet their healing  
Their prayers prayed  
A  
Under covers  
G D  
Need not kneeling  
A  
God's one miracle  
G D  
Moves in circles
