

Echosmith - Dear World

Tom: C

[Primeira Parte]

Dear world, I'm writing this song for you
 Dear world, I know what you're going through
 I know you're scared about tomorrow, scared of feeling hollow
 I am too
 Dear world, I'm writing this song for you

[Refrão]

Dear world, you ain't all that I thought you would be
 A few trips ago 'round the sun
 I'm trying to find out what it means to be me
 I feel like I've barely begun
 How many souls can be crowded together
 And all of us feeling alone?
 All of us longing for home
 All of us longing for home

[Segunda Parte]

Dear world, I'm ready to be the change
 Dear world, your beauty is born from pain
 You're looking for the magic to rise above the tragic
 I am too
 Dear world, I'm writing this song for you

[Refrão]

Dear world, this ain't all that I thought you it be
 A few trips ago 'round the sun
 I'm trying to find out what it means to be me
 I feel like I've barely begun
 How many souls can be crowded together
 And all of us feeling alone?
 All of us longing for home
 All of us longing for home
 All of us longing for home
 Dear world
