

Echosmith - Dear World

```
Tom: C
            [Primeira Parte]
Dear world, I'm writing this song for you
           Em
Dear world, I know what you're going through
I know you're scared about tomorrow, scared of feeling hollow
I am too
            Em
Dear world, I'm writing this song for you
Dear world, you ain't all that I thought you would be
A few trips ago 'round the sun
I'm trying to find out what it means to be \ensuremath{\mathsf{me}}
I feel like I've barely begun
How many souls can be crowded together
And all of us feeling alone?
All of us longing for home
```

```
[Segunda Parte]
              Em
Dear world, I'm ready to be the change
            Em
Dear world, your beauty is born from pain
                          Em
You're looking for the magic to rise above the tragic
I am too
