

# Echosmith - Let's Love

Tom: C

(com acordes na forma de  
Capotraste na 3ª casa A )  
Intro: A

A D A  
I'm just a girl from the city  
D A  
You came to me, like Calvary  
D A  
And now, all I want is to hold you now  
D A  
I've been saving my soul for someone like you

D A  
So, let's love while we're young  
D A  
So, let's love before we've even begun  
D A  
Oh, darling, we'll be fine  
D E A  
So, let's love while we're young

A D A  
You were the girl that came with the sunrise

D A  
Long, brown hair and emerald eyes  
D A  
And now, I can't think of a day without you  
D A  
I've been saving my soul for someone like you

D A  
So, let's love while we're young  
D A  
So, let's love before we've even begun  
D A  
Oh, darling, we'll be fine  
D E A  
So, let's love while we're young  
Solo:

D A  
So, let's love while we're young  
D A  
So, let's love before we've even begun  
D A  
Oh, darling, we'll be fine  
D E A  
So, let's love while we're young
