## **Echosmith - Surround You**

```
D G
I search valleys and mountaintops
D G
Rolling hills and ticking clocks
D G
Were all I heard all that sound
D G
Never thought love could be found
D G x4
Love
D G
I kept passing by every sign
D G
Hoping one day I'd make you mine
D G
We'd be laughing side by side
D
Darling I'm thrilled to have you by
G D
By my side
D G x2
