

Ed Bruce - Nights

tom:

C

Nights are the loneliest part of the day **F**
 That's when your memory comes around and gets me down **G7**
 Nights, there's a star for every tear
 That's fallen from my eye oh how I cried **G7**
 Onlys nights alone thinking back to you and I **C**
 It's nights I know I never should've said goodbye **F**
 Nights are the loneliest part of the day **G7**
 That's when your memory comes around and gets me down **G7**
