Mãe do céu e da terra, de amor contagiante

Cuida da minha alma, nesse caminho errante

Me envolva em seu manto, me inspira na seara do bem

Enche minha vida de alegria, com todo amor que o Cristo tem

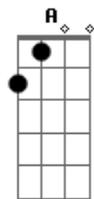

Bendita sóis vós entre nós, neste mundo de ilusão

Une os povos das terra, decreta todos irmãos

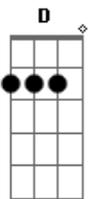

Mãe de imensa bondade, me envolva em seu abraço de luz
 Faz de mim o seu filho como se fosse "eu" na cruz

Liberta me liberta, liberta de toda dôr
 Me transforma em um ser de luz, quero viver do seu amor
 Liberta me liberta, liberta a minha fé
 Sou seu filho implorando, Maria de Nazaré
