

Ed Sheeran - Afterglow

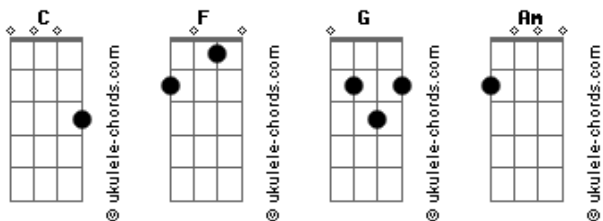

tom:

C

[Primeira Parte]

C
Stop the clocks, it's amazing
F
You should see the way the light
Dances off your head
G
A million colors of hazel
F
Golden and red
C
Saturday morning is fading
F
The sun's reflected
By the coffee in your hand
G
My eyes are caught in your gaze
F
All over again
[Pré-Refrão]
F
We were love drunk
Waiting on a miracle
C
Trying to find ourselves
G
In the winter snow
F
So alone in love
C G
Like the world had disappeared
F
Oh, I won't be silent
And I won't let go
C
I will hold on tighter
G
'Til the afterglow
F
And we'll burn so bright
C G
'Til the darkness softly clears
[Refrão]
F
Oh, I will hold on to the afterglow
F

Acordes

Oh, I will hold on to the afterglow
[Segunda Parte]
C
The weather outside's changing
F
The leaves are buried
Under six inches of white
G
The radio is playing Iron & Wine
C
This is a new dimension
F
This is a level where
We're losing track of time
G
I'm holding nothing against it
F
Except you and I
[Pré-Refrão]
F
We were love drunk
Waiting on a miracle
C
Trying to find ourselves
G
In the winter snow
F
So alone in love
C G
Like the world had disappeared
F
Oh, I won't be silent
And I won't let go
C
I will hold on tighter
G
'Til the afterglow
F
And we'll burn so bright

'Til the darkness softly clears
