

Ed Sheeran - All About It

Tom: F

Refrão:

Cause I got soul and I won't quit
 And your dad don't like it when I talk my shit
 Cause I'm all about it baby
 I'm all about it baby
 Staying up late just to pass the time
 And your parents don't like it when you and I getting high
 But I'm all about it baby
 I'm all about it baby
 (Dm F Bb A C)

I'm not a rapper just a singer with a game plan
 I play guitar no need to worry 'bout my Drake hand
 80,000 people in front of the stage, damn
 Waiting for the sun to shine just to rock these Ray Bans
 I just wanna leak shit (what?)
 Not literally leak shit
 Wanna push the music through the speakers
 Double shot glass, I'm in the back of the pub
 My mate Jason at the bar screaming "Who want what?"
 Now, please be warned
 That every song I feature on has capacity to be reborn
 I said that anything can happen when I pick up a pen
 But now I'm all about love so won't you say it again
 I said I used to be the shy type
 Backpack on my back on public transport sort of guy type
 Now I'm in the lime light
 Tryna get my mind right
 Body clock is in the clouds so often guess it's high time
 Hoodie sing the line like

I'm not a singer, I just rap pretty
 So now my fan base is full of Megan's and Ashley's
 And they're wondering if there's room for them to get in my bus
 And I'm like, "Naturally, baby, let me find a spot in the front"
 For you, and for your friends
 You can be mine, we can pretend
 Oh, typical rapper actin' a typical fashion
 I'm doing something that's different
 I'm tryin' to Paula my patent
 Young prince of Manhattan, now everybody believe it
 Adrien Broner the way I'm ducking and weaving
 We go together like interceptions and Revis
 She said the only rapper she lovin' is Yeezus
 Dm
 One for the money

Two people since the beginning
 Bb
 Three million records get sold, not everybody is winning
 A
 I'm Larry David plus Miles Davis
 A
 So, everybody hating and fuck it, I hardly blame 'em

 And they don't know anything about us
 Bb
 Or anything about us
 A C
 Or anything about it
 No, no, no(x2)
