 It's just another night

 By the waterside and knew

 If you were here I'd sing to you

C **G**
 You're on the other side
Em D C **G**
 As the skyline splits in two

 Miles away from seeing you

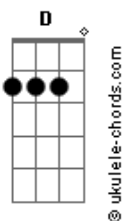

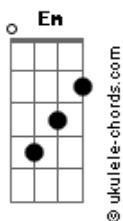

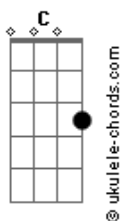

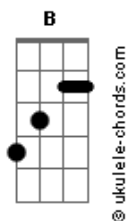

C **G**
 But I can see the stars
Em D C
 From America

 I wondered do you see them too

[Refrão]

G
 So open your eyes and see
D
 The way our horizons meet

 And all of the lights will lead

 Into the night with me

 And I know these scars will bleed

 But both of our hearts believe
Em C G D
 All of these stars will guide us home
