

Ed Sheeran - Be Right Now

tom:
Capostrate na 4ª casa
Intro: G Bm C

[Primeira Parte]

G Bm
A lifetime startin' to feel like
C
It's falling short of the mark
C
But it's all that we got
G Bm
Every teardrop, every wrong turn
C
Made the moment we found
C
And it's comin' around, around, around, around, around

[Refrão]

C Em
I don't wanna miss one thing
D C
We can turn the whole world down
C Em
And listen to the in-between
D C
We are, we are the sound
Em
There's nothing but the space we're in
D C
The hurry and the noise shut out
C
Just stay here and be right now

(G Bm C)

[Segunda Parte]

G Bm
The shadows cling to the ceiling
C
And fracture the light
C
That lands in our eyes
G Bm
Every moment changes the whole view
C
And just when it ends
C
I feel it again, again, again, again, again
