[Primeira Parte]

Bm L.A. on a Saturday night in the summer **D**
G Sundown and they all come out
Lamborghinis and their rented Hummers
The party's on, so they're headin' downtown **Bm** (round here)
D Everybody's lookin' for a come up
G And they wanna know what you're about
Me in the middle with the one I'm lovin' **Bm**
We're just tryna figure everything out

[Pré-Refrão]

D We don't fit in well
'Cause we are just ourselves
G I could use some help
Gettin' out of this conversation, yeah **Bm** **D**
G You look stunning dear, so don't ask that question here
This is my only fear, that we become

[Refrão]

Bm Beautiful people, drop top, designer clothes **D**
G Front row at fashion shows
What d'you do? and who d'you know?
Inside the world of **Bm**
Beautiful people, champagne and rolled-up notes **D**
G Pre-nups and broken homes
Surrounded, but still alone **G**
Let's leave the party

Bm That's not who we are (we are, we are, we are) **D**
G We are not beautiful

Bm Yeah, that's not who we are (we are, we are, we are) **D**
G We are not beautiful (beautiful)
